

Specialty Pharmacy Resource

An open network of specialty pharmacies has been established to handle ZEPOSIA prescriptions and assist healthcare professionals (HCPs) and their patients.

Specialty pharmacies may offer the following support:

The network includes the following BMS-contracted specialty pharmacies

Your patient's insurance company may determine the specialty pharmacy from which they can obtain their specialty medications. Bristol Myers Squibb can make no guarantee of availability of ZEPOSIA at the specialty pharmacy. Bristol Myers Squibb does not endorse the use of any particular pharmacy. The table above is not an exhaustive list of specialty pharmacies.

In addition to the specialty pharmacies listed above, ZEPOSIA may be dispensed at any other specialty pharmacy of your choice.

Since support services can vary from pharmacy to pharmacy, HCPs are encouraged to use ZEPOSIA 360 Support™ in conjunction with their pharmacy—to help support your patients' needs.

^aThe Bridge Program is available at no cost for eligible, commercially insured, on-label diagnosed patients if there is a delay in determining whether commercial prescription coverage is available, and is not contingent on any purchase requirement, for up to 24 months (dispensed in 30-day increments). The Bridge Program is not available to patients who have prescription insurance coverage through Medicare, Medicaid, or any other federal or state program, or MI residents, and is available for no more than 12 months to patients in MA, MN and RI. Appeal of any prior authorization denial must be made within 90 days or as per payer guidelines, to remain in the Program. Eligibility will be re-verified in January for patients continuing into the following year, and may be at other times during Program participation. Offer is not health insurance, and may be modified or discontinued at any time without notice. Once coverage is approved by the patient's commercial insurance plan, the patient will no longer be eligible. Other limitations may apply.

Bristol Myers Squibb is committed to transparency. For information on the list price of ZEPOSIA as well as information regarding average out-of-pocket costs and assistance programs, please visit <https://www.ZEPOSIA.com/cost>.
